HEALTH AND SAFETY POLICY

All Nation Security and Investigation Services, Inc. recognize its legal, moral, and humanitarian responsibilities towards health and safety of its employees, clients and visitors. In fulfilling its responsibilities, the company will be guided by the law of the land and in specific high risk operations, by standards and procedures of its clients.

The company believes that accidents do not happen – they are caused and therefore preventable. Health and Safety is an essential part of sound business practices and each employee is equally responsible in managing health and safety protection.

It is the policy of the company that the prevention of occupation injuries and illnesses will be given priority equal with productivity, quality, and related company efforts. Thus, we communicate this policy to our clients and we include a clear contractual obligation to meet these requirements as an ongoing condition of our business relationship.

We have designated occupational safety and health officers in every facility of our clients. The occupational safety and health officers has the authority to acts as Safety coordinators and is responsible for initiating and driving all safety and health strategies on behalf of the company and our dear clients. We will provide the time and necessary resources to implement this policy and develop the necessary plans and procedures to improve all aspects of safety and health.

In conclusion, All Nation Security & Investigation Services, Inc. fully acknowledge their legal obligations to ensure a safe and healthy workplace for their employees and also for anyone else who may visit the clients facilities, such as customers, visitors, contractors and members of the public. The company will ensure that safe working practices are developed and consistently implemented.
